KATEDRA

Diagram illustrating the connection setup for a computer system (PEVNÉ PC KATEDRA) and its associated components (CONNECTION POINT, MONITOR, USB-UTP) in a lecture hall (KATEDRA).

The system components and their ports are:

- CONNECTION POINT (Left):** HDMI, USB, LAN.
- CONNECTION POINT (Right):** HDMI.
- PEVNÉ PC KATEDRA:** USB, LAN, HDMI OUT, Line OUT.
- MONITOR:** HDMI IN, HDMI IN.
- USB-UTP:** USB, UTP.

The connections are as follows:

- LAN:** A red dashed line connects the LAN port of the left CONNECTION POINT to the LAN port of the PEVNÉ PC KATEDRA. A red dashed line also connects the LAN port of the left CONNECTION POINT to the LAN port of the PEVNÉ PC KATEDRA.
- HDMI:** A green dashed line connects the HDMI port of the left CONNECTION POINT to the HDMI IN port of the MONITOR. A green dashed line connects the HDMI port of the right CONNECTION POINT to the HDMI OUT port of the PEVNÉ PC KATEDRA.
- Line OUT:** A blue dashed line connects the Line OUT port of the PEVNÉ PC KATEDRA to the Line OUT port of the PEVNÉ PC KATEDRA.
- USB-UTP:** A black dashed line connects the USB port of the left CONNECTION POINT to the USB port of the USB-UTP. A black dashed line connects the UTP port of the USB-UTP to the UTP port of the PEVNÉ PC KATEDRA.
